

IWAY

International Women's Association of Yerevan

Established in 2012, IWAY, The International Women's Association of Yerevan, is a non-profit, non-religious, and non-political association.

IWAY members are 100 % volunteering women of all ages and nationalities who reside in the Republic of Armenia.

The mission of IWAY is to make a positive impact on Armenia through developmental projects. The projects mainly target women and children in remote and border villages.

The IWAY biggest fundraising event is the annual **Christmas Charity Bazaar**. Funds raised at this event will exclusively be used to fund IWAY approved philanthropic projects.

IWAY members meet twice a month (except in January and August) to have general meetings (coffee mornings). During these sessions, members debate fun and instructive topics as well as philanthropic endeavors. IWAY organizes the annual **Christmas Charity Bazaar**. In addition, from the beginning of 2021, IWAY initiated **online charity sales**. All the generated income is put towards a worthwhile charitable project(s).

IWAY is not only a charitable organization. It has many returns to its own community.

- As each woman participates in the year-long activities, she works to strengthen herself and achieve her full potential.
- IWAY fosters goodwill and friendship among its members, regardless of their origin.
- IWAY expands knowledge and understanding of the Armenian people and culture. This makes Armenia a true home for everyone.
- IWAY organizes a wide range of **activities** for its members and guests. These include, but are not limited to:
 - Informative meetings to learn more about Armenia
 - Special events to learn about the countries represented by members
 - Walking tours, cultural visits, and exchange networking opportunities
